

## **CUSTOMER REFERRAL PROGRAM**

We appreciate all of our customers and Facebook Friends! We would like to reward you for sharing all of what Clauss Designs can customize in concrete.

If you refer someone to us and that person becomes a customer, we will reward you with a restaurant gift card from a local restaurant in your local area. Choose from Mad Anthony's Lakeview Ale House up in Angola, to Cork n Cleaver down in Fort Wayne. Please have them mention that they heard about Clauss Designs from you, message me on Facebook or email about your referral.
